

True Colors® Training Keys to Personal Success

True Colors® International Personality Preference Assessment

- Are you curious about your own unique personality style?
- Is there someone in your life you would like to understand or get along with better?
- Would you like to find out how others see you?
- Would you value tips to enhance professional relationships, and learn steps to improve team performance?

Now, more than ever, we need to value diversity of thought to create unity.

The **True Colors®** online personality assessment gives each person unique insights into their own personality type and decision-making style through the True Colors methodology lens. Each person will discover their full True Colors personality spectrum and receive an in-depth, personalized 25+ page report. The distinctive report describes behavioral tendencies, includes powerfully effective tips for communicating with people of all personality types and has a standalone summary desktop report.

Colorize Your Entire Organization

True Colors® addresses ineffective communication at the individual, team and institutional level. Infusing the True Colors Methodology throughout an organization enables a cultural transformation that helps support and retain the most valued asset – your people. True Colors Team and Leader reports are available to provide a detailed analysis of your entire group or any sub-groups of your choice. Clear and easy to read charts help you develop a deeper understanding of your individual employees and team composition. Your results will be improved communication, increased engagement and collaboration, less misunderstanding/conflict and in turn...greater productivity. Call Jeanne at 217-549-2564 to receive a quote.

When you complete the 18 questions for the True Colors Online Assessment, you'll receive an in-depth 25+ page True Colors Report describing your behavioral tendencies in your interactions with others. You'll also receive powerfully effective methods for helping you succeed with people who have a different True Colors Spectrum. The Assessment report gives tips and methods for applying the information in many training applications (on-site or via virtually) such as in leadership and team development, sales, customer service, and hiring processes. Complimentary Co-Branding is available by adding your company logo to the report!
