

You Want Me To Raise Money? NOW??

Your Board has asked you to spend more of your time raising money for your organization. Unfortunately, you are seeing a decrease in donations, even from your most consistent donors! So what do you do?

Let me help you make your difference in connecting with your donors, increasing your donor base, and raising more money for your organization Together, we will explore:

1. The consistency of your messaging
2. The currency of your donor database
3. The methods you use to reach donors
4. The recognition of donor gifts
5. The robustness of your donor stewardship program
