

Working with Staff and Volunteers can be a Challenge! HELP!!

One of your responsibilities is to supervise both staff and volunteers in your organization. However, you may have minimal experience in doing so or have encountered new challenges as new staff and volunteers join your agency.

Let me help you make your difference in working with these two important groups! Together we will explore effective approaches for:

1. Recruiting/retaining staff and volunteers
2. Managing the day to day operations of your organization
3. Promoting a positive workplace culture
4. Developing policies and procedures
5. Guiding staff and volunteers through a crisis
